SEQ 2      Rocket Transportation – Gerrit VanProyen – 809-0629

PA 1      HAWORTH DENTAL    (Nick Heaton 477-8899)

PA 2      FIRST FEDERAL    (Gary Hellwig 457-8958)

Girls will play on a modified field. 50 yards wide by 70 yards long. 8 v 8 or 9 v 9 coaches decide. All other FIFA rules apply. Volunteer Field is located west of Port Angeles next to the Fairgrounds and Airport. Sequim Field is located off of Hendrickson Road next to the Sequim High School.

\*\*\*Attention Coaches....Sequim field will be modified by bringing in both goals to the top of the 6 yard box. This will shorten the field by 12 yards total. Width will be the same.\*\*\*

U15 uses size #5 ball
